AUTSCAPE 2007 ACCESSING OUR WORLDS

A CONFERENCE AND RETREAT
FOR AUTISTIC PEOPLE,
THEIR FRIENDS,
AND SUPPORTERS

7-10 AUGUST 2007

RADSTOCK, NEAR BATH
SOMERSET, UK

WWW.AUTSCAPE.ORG

What is Autscope?

Autscope is a conference with a difference. At Autscope, autistic people are the majority of organisers, presenters, and participants. The environment, schedule, social and behaviour expectations, and presentation topics are all designed to encourage full participation of autistic people. Held in a peaceful rural retreat centre, Autscope will serve as a retreat, an educational conference, a social gathering, and an opportunity for advocacy and networking. Autscope 2007 will be our third event, and we hope to make it as successful as in previous years.

Who can attend Autscope?

Autistic people from all parts of the spectrum, whether diagnosed or not. Don't worry about being 'more different' than other participants; diversity enriches the experience for everyone.

Non-autistic people are also welcome. All we ask is respect for 'autistic space' and an open mind.

Children and teenagers may attend with a responsible adult.

What will happen there?

All activities are optional. You may choose to do things alone, with others, or not at all.

Lectures and workshops on a wide range of issues relevant to autistic people. More details will be announced on our website as they become available. In the evenings there will be both formal and informal discussions on a variety of topics as well.

Socialising without pressure. Autscope can be a great opportunity to meet other autistic people in an accepting environment, but you will be under no obligation to socialise if that is not what you want to do. A colour-coded badge will be provided to let others know whether you would like to interact.

Leisure activities, both structured and unstructured, are part of the programme. There will be classes on Shintaido and meditation, swimming in an outdoor pool, walks alone or in groups, indoor and outdoor games, and music sessions. The venue's bar will be open in the evenings.

Children will have a variety of activities with experienced and qualified staff at a ratio of 1:6. If your child requires more support, please bring someone to help.

cannot be provided by Autscope. If you need a high level of support, please bring your own carer.

Transport to the venue from Bath Station will be available for a small extra charge. There is a small international airport in Bristol, a short train ride from Bath.

Standard accommodation will be in shared twin rooms with ensuite shower, although a limited number of single and double rooms are available, and it is possible to put an extra bed in many of the rooms. You can choose a specific roommate or we can match you with someone based on your preferences. (A questionnaire will be sent to you after registration to find out about your preference.) You may also camp on-site, or you can arrange to stay off-site.

A few things to consider before registering

'Autistic' behaviours such as stimming, rocking, and perseverating are perfectly acceptable at Autscope. Overload and shutdowns are also expected for some people. However, this acceptance does not extend to behaviour which infringes on other people's rights or their ability to safely participate in the programme.

Meals are served in a communal dining hall, but you may take yours to the garden or your bedroom. Most special diets (e.g. nuts, seafood, dairy and gluten free diets as well as vegetarian, vegan, and diabetic diets) can be catered for. Please note, however, if you require particularly restrictive or complicated diet, it may incur extra charges, or you may choose to self-cater.
