

AUTSCAPE

An *autistic* conference

4th – 7th August 2014

Autscape is an annual conference with a difference. It is an inclusive event, one that is run *by* autistic people *for* autistic people. All ages are welcome. Diagnosis not required.

This year's theme is **Autism through the lifespan**.

Autscape is a retreat from the demands of mainstream society and an escape to autistic-friendly space. It is also an educational forum, a social gathering, and an opportunity for advocacy and networking.
