## How to get from King's Park to the The Sunley Conference Centre

### **About the Sunley Centre**

The centre is located in the University of Northampton's *Park Campus*.

This information is mainly for people staying off-site at the Sunley Centre.

No activities are scheduled to run at the centre.

## Getting to the Sunley Centre

To get to the Sunley centre, exit King's Park by the main doors at reception and turn right.

Walk around the front of the buildings, through the sports centre car park, and turn right after the sports centre.

Go through the gate into the university grounds, and follow the path round the edge of the field.

At the far side of the field, there is a building known as The Pavilion. Turn right just after this building.

That will lead to a road onto the university's Park Campus. Follow the road to the left.

On the left, you will pass the Uni Express shop.

Keep going, past the bus stops, then follow the road to the right.

On the left hand side, before you exit the campus, the Sunley Centre will be on your left.
